Welcome

The most important service you can provide your patients is to stay in business. The most important function to see that mission through is the collection of monies owed to you.

When the phone is ringing, the waiting room is full and there is a patient who needs immediate attention; WHO IS COLLECTING THE MONEY?

When you partner with Medical Practice Solutions for your billing needs, you can focus on patient care while we focus on making sure you get the proper reimbursement in a manner that is both timely and efficient

THE MPS ADVANTAGE
The advantage to partnering with MPS will be:

- Free up resources to focus on patient care

- Get access to specialized skills

- Accurate and timely submission of claims

- Improve patient satisfaction

- Focus on patient care
